**NRO REVIEW
COMPLETED**

25X1A **SUBJECT** : Project [REDACTED], Availability of Funds
 in Event of Termination, Pratt & Whitney
 Contract

1. The CIA Contracting Officer has issued a letter contract to Pratt & Whitney for the procurement of eighteen (18) engines, necessary spares and GSE for the Project [redacted] Vehicles. Contractor has estimated its expenditures at [redacted] and commitments of [redacted] through 30 July 1963.

25X1A 3. Funds have been made available to cover the obligation
25X1A requirement of [REDACTED]. However, your certification
as to the availability of funds to cover the [REDACTED]
in commitments in the event of termination is requested.

3. Your concurrence is requested by written reply to this office. By your concurrence, such certification is granted and the contractual language will so reflect this obligation of the Government.
